# appendix free and inexpensive publications

---

## **sources of free and inexpensive publications**

Many instructional materials available for teaching personal finance and money management may be obtained at no cost or very low cost. Contact the following government agencies and organizations to obtain information about the publications they have available.

Frequently, copies of various free publications may be obtained for each student in your class; contact the organization regarding availability. Also, since organizations continually add or delete publications, most organizations have a current catalog or publication list available.
